NUA • NURSE AIDE

This is a controlled enrollment program. Students must complete the application packet (available at the Longmont Student Information Center) no later than two weeks prior to the start of the program. No late starts or late registrations are permitted for these classes. Students must enroll in both the NUA 101 and NUA 170 series. Assessment testing is required of all students. Students achieving RC of 62 or higher and SS of 70 may pursue this program of study. Some Nurse Aide classes require an additional malpractice insurance fee. For more information, please call the Health Careers Advisor at 303-678-3641 or 303-678-3646.

NUR • NURSING

This is a controlled enrollment program. Students must attend an information session and complete the application process. General information sessions for potential Nursing students are held the second Monday of each month (except July & December) at 4 pm at the Boulder County Campus. Please contact the Health Occupations Advisor at 303-678-3639 or 303-678-3646 with questions. Some Nursing classes require a malpractice insurance fee.

For all NUR coursework:

Prerequisite: Successful completion of preceding practical or professional nursing program coursework with a grade of C or better, or permission of program director.

Corequisite: Successful completion of preceding practical or professional nursing program coursework with a grade of C or better, or permission of program director.
