Front Range Community College (FRCC) strives to provide quality instruction and support for all students attending post-secondary classes on the campus. Students who are conditionally admitted based on the underage admissions policy are granted the same rights and have the same responsibilities as any other college student. Therefore, it is required that each underage student and her/his parent review the information listed below and sign the acknowledgement indicating that they understand and accept responsibility for the decision to enroll.

1. I understand that the student must adhere to all college policies and deadlines as outlined in the college catalog and course schedule.
2. I understand that there could be classroom discussion or materials that the student/parent may not consider age appropriate for an underage student. If the student or parent is not comfortable with an assignment or classroom discussion, the faculty member is not required to substitute an alternate activity or grading exercise.
3. I understand that the grade received by the student is part of the student's permanent post-secondary academic record and may affect the student's eligibility for college scholarships or freshman/first-time status at other institutions of higher education.
4. I understand that, while the student will have equal access to any academic support services offered to the student body, no extraordinary academic measures will be granted the student.
5. I understand that the student's academic record (grades, attendance, progress in class) cannot be accessed by the parent without a written release, signed by the student in person at the Admissions and Records office.
6. I understand that the faculty member will provide standard updates on academic progress directly to the student. This may include graded homework, graded test papers, etc. In a college environment, attendance is not reported, nor is the faculty member required to provide written or personal/telephone summaries throughout the semester.
7. I understand that the student is expected to comply with the FRCC Student Code of Conduct. Violations of the Code of Conduct will result in disciplinary action as outlined by the FRCC College Discipline Process. Parents are responsible for any student supervision required when the student is on campus but not in class.

I have reviewed the information listed above. I acknowledge the responsibilities and limitations as outlined.

Process for Underage Attendance

Front Range Community College complies with the Colorado Community College and Occupational Education System (CCCOES) State Board Policy to admit students who are 17 years of age or older. Students wishing to secure a waiver of the minimum age for admissions must meet the following criteria:

1. Qualified students must demonstrate readiness for college level work by meeting all state established cut scores for college level English, reading, and math.
2. Students should meet with an advisor or designated staff member to determine eligibility for admission, appropriateness of course selection, review college expectations and complete the acknowledgement form. Final approval rests with the Dean of Student Services.
3. A responsible parent or guardian must sign the acknowledgement form indicating that the student/parent has been advised regarding the expectations of the college.
4. If approved by the Dean of Student Services, Admissions and Records will remove the hold to allow the student to enroll. Admissions and Records will notify the student by email regarding approval status.
